

## Goblin in the Rainforest (Gibblewort the Goblin)

Another hilarious adventure from everyone's favorite grouchy goblin Gibblewort the goblin is filled with joy when he crawls out of his postbag to find damp earth, falling rain, and the sound of the wind through the trees. He's made it home to Ireland at last. Except it's not Ireland, it's the Australian Rainforest, and Gibblewort soon finds himself being stung, squeezed, sucked, nipped, and pecked by all sorts of strange and unusual creatures.
