

Jurassic Park Vol. 9: Animals vs. Gods!

Relive the magic and majesty of JURASSIC PARK in this re-presentation of the classic movie. The three remaining raptors, Alf, Betty, and Celia, have escaped into the Colombian jungle! Once again, these dinosaurs are in their natural habitat, hunting and enjoying being free. When a group of natives approach, the raptors are honored as gods. But it is enough to curb their instincts? The excitement continues in volume 9 of Jurassic Park! Spotlight is a division of ABDO Group. Grades 4-8.
