

Hiccup! (Balloon Toons)

Jamie has hiccups on the day of his school play! His best friend and co-star is determined to find a cure no matter how silly, icky, or weird it might be! Will the show-HIC!-go on? Hiccup everyone's had 'em, and nobody wants 'em. The familiar dilemma drives this comically exaggerated story of a boy-rabbit battling the inconvenience and embarrassment of a jumpy diaphragm. Hiccup! is an ideal choice for kids who are more attuned to sweeter brand of slapstick humor.
