

## Complete Year, Grade K: Weekly Learning Activities

Complete Year for Kindergarten provides a whole year's worth of practice for essential school skills including consonant and vowel sounds, rhyming words, nouns and verbs, numbers and counting, ordinal numbers, graphing, shapes, and more. Thinking Kids Complete Year is a comprehensive at-home learning resource with 36 lessons one for each week of the school year! Practice activities for multiple subject areas, including reading, writing, language arts, and math, are included in each weekly lesson to ensure mastery of all subject areas for one grade level. Complete Year lessons support the Common Core State Standards now adopted in most U.S. states. Handy organizers help parents monitor and track their child's progress and provide fun bonus learning activities. Complete Year is a complete solution for academic success in the coming school year.
