

Crepe Murder (A Patisserie Mystery with Recipes) (Volume 4)

The 4th book in the culinary mystery series that take you on a tour of Paris! Includes sweet and savory crepe recipes. Now that she's solved yet another murder case, Clemence Damour finally has time to invent new pastries and dessert flavors at her patisserie. But when a Parisian socialite goes missing, Clemence and Inspector St. Clair both conclude that Carlos, a mysterious man from Clemence's past, has kidnapped her. Between becoming a fashion designer's new muse, surviving her own kidnapping attempt, and going to a fancy party at the Grand Palais, Clemence is in for another busy week. If you like light-hearted cozy mysteries with recipes by Joanne Fluke or Jessica Beck, you'll enjoy The Patisserie Mysteries. Join Clemence and her friends as they solve murder cases, bake macarons and other treats, and fall in love in The City of Lights. Crepe Murder is the 4th book (a 25k novella) in this new cozy series with an international twist, featuring delicious recipes of French pastries and desserts. The books don't have to be read in order, but it is recommended as the characters' relationships develop throughout the series.
