

So Much to Tell You: The Play: A performance version

The stage adaptation of John Marsden's award-winning, bestselling novel. I don't know what I'm doing here. Well, I do really. I have been sent here to learn to talk again. Sent here because my mother can't stand my silent presence at home. Sent here because of my face ... She watches; she dreams. She sees more than they realise. She has worries and fears, hopes and desires. She is troubled; she is angry. Above all, she is lonely. She may be someone you know. She may be you. In *So Much to Tell You* she tells her story. With humour and insight, with sensitivity and strength, with painful honesty. You will never forget her impressive emotional power, style, freshness and originality.
