

## ABC Animals (AMNH ABC Board Books)

Twenty-six letters; 26 animal friends! From Armadillo, with its long sticky tongue, to chimps that greet each other with kisses, to the slow-swimming manatee and plant-munching zebra, this delightful board book from the American Museum of Natural History introduces children to both the alphabet and some of the most interesting creatures displayed in the museums galleries. Featuring extra-large letters, fun facts, and bright, eye-catching photos on every page, ABC Animals will enchant and teach preschoolers.
