

Compost Stew: An A to Z Recipe for the Earth

From apple cores to zinnia heads, readers will discover the best ingredients for a successful compost pile! Kids everywhere are knowledgeable about the environment and climate change. Not only is composting becoming more common in households and residential gardens, but many school gardens feature compost piles, too. But how do you start a compost pile? What's safe to include? Perfect for an Earth Day focus or year-round reference, this inviting book provides all the answers for kids and families looking for simple, child-friendly ways to help the planet. From the Hardcover edition.
