

Stop Snoring, Bernard!

Bernard loves curling up to go to sleep. But there is one little problem. Bernard snores LOUDLY! So loudly that he keeps all of the otters awake during naptime. So loudly that Grumpy Giles tells Bernard to move his snoring somewhere else! Sad and lonely, Bernard tries sleeping in new places far away from the other otters: in a lake, in puddles, in a fountain. But no matter where he tries to nap, somebody complains. He just wants to hear two words: Goodnight, Bernard!
