

## Evil Under the Sun: Complete & Unabridged

Read by David Suchet, the voice of Hercule Poirot. One of Agatha Christies most loved mysteries, Evil Under the Sun remains one of her best and most delightfully cryptic murder mysteries ever. It was not unusual to find the beautiful bronzed body of the sun-loving Arlena Stuart stretched out on a beach, face down. Only, on this occasion, there was no sun...she had been strangled. Ever since Arlenas arrival at the resort, Hercule Poirot had detected sexual tension in the seaside air. But could this apparent crime of passion have been something more evil and premeditated altogether?
