

Using the Standards - Geometry, Grade 4 (The 100+ Series(TM))

Focus on 2-D and 3-D shapes, size, symmetry, visual and spatial reasoning, transformation, location and position, and coordinate geometry with these easy-to-use reproducible worksheets. Includes hands-on activities and timesaving teaching aids such as skill checks, cumulative assessments, and student-created problems. The vocabulary cards reinforce geometry terms and figures and the correlation chart and icons on each page make it easy to identify which standards are being used. Pretest, post test, and answer key provided.
