

## KS2 Science Year Five Workout: Forces & Mechanical Devices

This CGP Workout book is packed with practice covering everything Year 5 (ages 9-10) pupils need to know about Forces and Mechanical Devices - all clearly laid out with plenty of space for writing answers. There's a range of questions for each topic, with a mixed section at the end of the book that tests children on everything they've learned. Practical mini-projects are also included to help them develop their scientific investigation skills. Answers to every question are included on the pull-out centre pages, along with a useful A3 poster that pupils can colour in. CGP Year 5 Science Workout books are also available for: Life Cycles and Reproduction (9781782940883), Properties and Changes of Materials (9781782940890) and the Earth and Space (9781782940906).
