

When Lucy Goes Out Walking: A Puppys First Year

Meet Lucy, a little puppy full of bounce and curiosity. Lucy loves taking walks; its especially fun to greet the neighborhood children and play with other dogs. Whether its to race down a snowy hill in February or frolic in the grass in May, Lucy never says no to a stroll outdoors. Come December, Lucys enjoyed every season, and shes almost all grown up! In lyrical language and through endearing illustrations, Ashley Wolff traces the growth of one adorable puppy over the course of an adventure filled year.
