

Mediterranean Diet for Beginners: Quick and Easy Mediterranean Diet Recipes and Meal Plan to Supercharge Weight Loss and Improve Health

Do you think that your body is not in its best shape? Have you long been trying to stop eating unhealthy food, but cant seem to succeed in doing so? Are you on the search for a guide that will forever change your eating habits for the better? You and your body need JJ Lewis Mediterranean Diet for Beginners cookbook! The Mediterranean Diet cookbook will be a game-changer in your pursuit of a healthy body and lifestyle! JJ Lewis is a highly decorated chef and author of several cookbooks. Shes published bestselling cookbooks and contributed to countless recipe collections. Her recipes focus on healthy dishes that promotes physical wellness. Shes an innovator who loves to try out new combinations of flavors and nutrient mix, while targeting specific physical conditions. Shes undergone a lot of training and has attended classes with many of worlds best cooks. You can trust that her recipes will do what she says they will. The Mediterranean Diet in a nutshell The Mediterranean Diet focuses on eating natural foods such as fruits, vegetables, nuts, whole grains, fish, poultry, very limited red meat, using olive oil instead of butter, and cooking with natural herbs and spices instead of salt. As a diet, it can help you lose weight and improve your health, but its really more of a lifestyle. Its a way of eating that can keep you healthy and provide all the nutrients you need to live life to the fullest. Examples of the recipes you will learn in the book are: Seasoned lamb burgers Potato salad Lentil soup Mediterranean chicken Greek salad And so much more Scientific fact: People following the Mediterranean Diet are healthier than those that dont! Scientists have found that adhering to a Mediterranean diet increases high density lipoprotein (the good cholesterol), decreases blood pressure, balances blood sugar levels and abdominal circumference. A variety of test have been

done to find other benefits of the Mediterranean Diet including tests on lengthened life span, improved brain function, preventing chronic diseases, fighting certain cancers, lowering heart disease, lowering blood pressure, reducing high cholesterol levels, preventing diabetes, promoting weight loss, alleviating depression, Alzheimers, Parkinsons, rheumatoid arthritis and promoting eye health, better breathing, healthier babies and improved fertility. Every single one of the aforementioned tests have shown positive clinical reports. No other diet has as much documented proof of its effectiveness as the Mediterranean diet. Enjoy living a much stronger, healthier, and happier life. Much of who you are as an individual has to do with the kind of body that you have. To be the best person you can be, you have to have the best body possible. The Mediterranean Diet will give that to you. Those who have been religious with the Mediterranean Diet have seen significant improvements in how they are as persons. They have enjoyed the following: improved physical resistance better performance in any activity heightened mental abilities avoidance of diseases better threshold to problems and difficulties a more positive outlook in life.
