

Witch Way To Amethyst: The Prequel (A Stacy Justice Mystery Book 0)

Stacy Justice is a young reporter who lives in Chicago, far away from the kooky small town of Amethyst, Illinois, where she was raised by a family of witches. She's perfectly content with her career, her cat, and her lack of a love life until her cousin informs her that their grandfather is deathly ill. Stacy road-trips home only to discover that her grandfather was poisoned, her grandmother has confessed to the crime, and there's a new chief in town who is easy on the eyes, but tough on witches. Now, the reluctant witch must prove her grandmother's innocence, save her grandfather from meeting an untimely end, and fight the killer that's bent on destroying them all. This is the prequel novel to the Stacy Justice Witch Mysteries where secrets only lead to more secrets and being the member of a family means that you make sacrifices that can lead to murder.
