Easy Glutenfree Cookies has 50 recipes of drop and bar cookies. All are easy to prepare and provide the home baked goodness absent from expensive store bought cookies. All of the recipes are low in sugar, salt and fat creating cookies that are healthy and nutritious. The recipes are easy to make because the ingredients are available in regular grocery stores. Every recipe has been taste tested by both those with celiac disease and those who do not require a glutenfree diet. Only the ones with very good reviews are included.
