

In the Forest: A Nature Trail Book (Maurice Pledger Nature Trails)

Kids will love all the interactive adventures in the Nature Trail series. Each book features touch-and-feel pages that stimulate a child's curiosity and make learning about the natural world an entertaining experience. Feel the sticky nectar of a flower, then turn the flap to reveal the sticky tongue of an anteater. Touch the leathery feet of a seagull, then turn the flap and find a crab scuttling over the rocks. Every page is filled with Maurice Pledger's stunning and detailed illustrations and endearing animal characters. Hit the trail in all four adventures: By the Seashore, In the Forest, In the Rain Forest, and On the Mountain. Kids will also love Maurice Pledger's Sticker Books and Peek-and-Find Books.
