

Force of Habit 4: The Nun Also Rises

Sister Justicia Marie goes viral. Will it mean a new chapter for the church? Or the final chapter for her life as a nun? She doesn't go looking for trouble, but when trouble finds her Sister Justicia Marie of the Sisters of Perpetual Justice is prepared to shut it down--with her martial arts training, if necessary. One night she tries to stop a drug buy and is forced to break the arm of a drug-dealing gang leader. Someone captures the video and suddenly Sister J goes viral. Much to the chagrin of the Archdiocese of Los Angeles. Now Sister J is under pressure to stop her unorthodox ways. Yet at every turn she runs into more crime, and even a demonic driver who tries to kill her. What is going on in the City of Angels? What is a nun who can kick serious butt supposed to do? She calls out for God for an answer, and she gets it--but in a fashion that lends new meaning to the phrase, God works in mysterious ways. James Scott Bell is the bestselling, award-winning author of many thrillers and books on the craft of writing. He makes his home in Sister Js town, Los Angeles.
