

Wicked Break (Noah Braddock Mysteries Book 2)

Noah Braddock is just living from wave to wave, catching a nice break from his private eye business. So when Peter Pluto asks Noah to look for his missing younger brother, Linc, Noah takes the case reluctantly-and quickly finds out that Linc is not your average undergrad. Aided by his friend Carter and a beautiful Rastafarian coed, Noah discovers that Linc stole money from a white supremacist group. The skinheads will stop at nothing to find Linc-and when Noah wakes up at the bottom of a canyon, beaten and bruised, with a corpse lying next to him, he realizes hes next on their list...and in for the ride of his life.
