

## FIVE SENSES (Green Start)

This earth-friendly series is made from 98% post consumer recycled materials and printed with eco friendly inks. Each hardcover books simple, nonfiction content inspires children to love and respect the natural world, and the parent spread at the back of each book shows how easy it is to practice (and teach!) Earth-friendly habits right at home. From the gentle morning breeze to an evenings sunset, we feel, taste, hear, smell and see natures beauty every day. Kids will love learning about how their five senses help them discover the world in different ways every day.
