

E Is for Ethiopia (World Alphabets)

From Coffee to Nets, from Running to Xmas, this photographic alphabet celebrates everything Ethiopians love best about their country. Set in north-east Africa, Ethiopia has a long, rich history going back many thousands of years. It is inhabited by a variety of ethnic groups, with Christianity and Islam the main religions. Here are glimpses into Ethiopian houses, food, religion, clothes, hairstyles, animals, music - making the perfect introduction to a country still unfamiliar to many people. The text and photographs are by a group of young photographers in Ethiopia whose work is supported by the UK aid agency CAFOD, the Catholic Agency for Overseas Development.
