

Fabulous Paper Gliders Book & Kit with Other and Pens/Pencils

Through bold, colorful illustrations and lively, entertaining text, kids will learn about the wondrous cycles of the natural world. In a totally new design and concept, this innovative series looks at phenomena as they progress stage by stage, making them easy for children to grasp. Bright, brilliant, oversized action artwork is captioned in fascinating detail, explaining each step of the sequence. With all this excitement on every page, kids will actually want to read these!
