

Autumn/Otono (Seasons of the Year/Las Estaciones del Año) (Spanish Edition)

This bilingual introduction to the seasons is perfect for the early science curriculum. Each book contains numerous photographs depicting the recognizable features of autumn, spring, summer, and winter. A simple, two-or three-word sentence accompanies each image, making this series ideal for English Language Learners. Each volume includes a visual glossary, which uses a simple image to define each word. This series will start young students on the path to reading and learning!
