

Doris Gift (Moms Choice Award Recipient))

Moms Choice Award for Best General Fiction (ages 9-12) Its Doris birthday and she doesnt have to do her normal chores today. Her father makes a special dulcimer for Doris and it is the perfect gift! Angie Wilson comes from a long line of Appalachian descent. As she often listened to stories about her grandparents, she realized that yes, they faced many hardships, but each had a happy childhood with fond memories of strong family bonds. The series, Appalachian Heritage is a collection of stories that brings the region to life as the reader travels back to a different time- where everyone did their part, and life offered many simple joys.
